Susan Weismantel

- Memorial services for Susan D. Weismantel will be 10 a.m., Saturday, July 22nd at Paetznick-Garness Funeral Chapel, Groton. John Rohwer will officiate.
- Susan Deann Weismantel was born October 10, 1962 in Big Spring, Texas and died July 6, 2006 in Dallas, Texas after a courageous 3½ year battle with breast cancer. Susan was a 1980 graduate of Groton High School and continued her education at South Dakota State University in Brookings, graduating with a degree in nursing. Susan's love of life led her to set out on paths not followed by most.

Running nine marathons in all, she finished the New York Marathon three times. Susan valued her family and friends above all and expressed her caring and giving nature through her business endeavors by providing opportunities to fellow nurses. It is with grateful remembrances that we send our beloved daughter, sister and friend into God's eternal care.
